**HEATHER HUNTLEY AND TIM VON SWINE**

For many masturbators, when it cums to the possibility of one day doing the deed with a real live member of the opposite sex...well, hope springs eternal. As well it should. After all, in today's wacky world anything can happen. For indisputable proof of the power of possibility, just check out FOX everyman Tim Von Swine hooking up with the dickable darling Heather Huntley. Tim had just settled in to spank it with the aid of a particularly awesome issue when in waltzed Miz Huntley, bustin' loose and panty free. Tim's cock leapt at the chance to be crammed into that cutie's pie, so he wasted no time at all hittin' it. He banged the buxom blonde left right and center until Heather, dizzy with delight, demanded to have some of his peckaroo paste plastered all over her puss. As she gulped down his boner brew, Swine found himself a little weak in the knees. Somebody get that man a beer! 🍷

February was always such a romantic month for Carol and her husband but ever since he ran off with his secretary this time of year has found her feeling both a little sappy sentimental and just a teeny bit oversexed. She recently decided to invite her friend Aneta over in order to have a sympathetic ear in which to pour her heart out. Right before the visit she donned her reddest, fuzziest, most alluring lingerie in an attempt to lift her lagging spirits. When Aneta turned up, a little long in the face and also dressed in her boudoir's best, Carol knew down deep that not a lot would be discussed that day. Which was fine by her. She knew that talking could soothe the ache in her heart but not the ache in her hole. So instead of chatting, the two lonely tarts took comfort in each other's arms—and breasts, and pussies and asses.

*VIP lounges are often very intimate places. Once the elite feel secure that they've been seen and soundly admired for having gained entrance to the magic area that lay beyond the velvet rope, they quickly turn their whole attention to the true task at hand-gettin' their freak on, fast and furious. Carmen was facing a lackluster evening of watered down drinks, not so phat beats and B-list company until Ruka came onto the scene. Always a sure thing, Ruka is a fave fuck stick amongst the glitterati gash. Wasting no time in making her move, she lunged for his meat pipe and took a few puffs. With pole pulsing, he paused to pay her a little lip service before plunging in to pump up her volume. Then they really got down to grooving. Parched after dancing so dirty, Carmen begged for something to wet her whistle and Ruka treated her to a shot of dick liquor. She just loves getting spunk at the club. 🐱*

Jeny Baby got her name for the way she likes her clit to be cuddled and pampered during sex. This quirk satisfies Eve's natural instinct to nurture and the two have been inseparable since the very first time they met. This mound-mental event took place late one night at a local nightclub. Both girls gave the slip to their boyfriends in order to meet up for a messy make-out session in the restroom. From that foreplay onwards, carpet-munching cuties Jeny and Eve have rarely been without a mouthful of each other's respective rugs. Sometimes during their dykey dates they trail off tribbing, mashing gashes until their nubs becom well-rubbed and tingle. Eve can't get enough of Jeny's juice and is always looking to smooth a fresh coat of girl glaze onto her honey pot. And Jeny just adores the way Eve lavishes her labes with atten-tion. It's truly a match made in heaven! 🍷

## CARNAL CAMERA

It's not too often that a beautiful young woman hires our roving photographer to promote what she hopes will be a new career as a sex princess. But then again, Samantha isn't your average young woman. She hopes to be a porn star, but she wants to do it on her own terms and have total control of marketing herself. That's why she has decided to create her own sexual adventures some tube sites on the web. "Can you film me on video and shoot stills at the same time?" she asks our photographer. He says he can. His new digital movie camera practically does all the work after you set it up and aim it, and then all he has to do is simultaneously photograph the action with his digital still camera. "When it comes to porno, I'm used to keeping both hands busy, one way or another," he says. "Technology has opened up a whole new career for me." Samantha also pays him to hire a professional stud for the shoot.

"...I have control of my own body, my own orgasm, and my own destiny."

*"When I see a gorgeous guy, the first thing I want to do is suck his cock, and then I want him to fuck the hell out of me."*

"But when it comes time to make her video debut, Samantha brings her own sexy red dress and black lingerie, as well as her own sexual techniques. 'I'm career-oriented,' she says!"

Samantha is convinced that she's the model for the modern sex symbol. "With the Internet I can do everything myself. Why should I do all the work and then let somebody else make all the money? This way, I have control of my own body, my own orgasm, and my own destiny." Those are big words, to be sure, but Samantha is determined to back them up. "I've always picked up guys and made them do my bidding," she says. "I try to make sex work for me instead of against me. When I see a gorgeous guy, the first thing I want to do is suck his cock, and then I want him to fuck the hell out of me. But I want to be the one in control."

*"Now you get over here! I'm not done yet! Now it's your turn!"*

"Other than taking a few suggestions from our photographer, Samantha knows exactly where she wants to be to provide maximum exposure of her body for the camera!"

Our photographer admits now that what turns him on about Samantha is the way she talks dirty. "She definitely wants everything her way, which turns some guys on and some guys off," he says. "Me, I get turned on when a pretty girl talks dirty and takes control of the situation. Samantha can get very aggressive. But the more she controlled things, the better he seemed to like it. His dick just got harder. I guess maybe he was thinking, 'Okay, you may think you're the one in control, but I'm gonna fuck you so goddamn hard that your pussy will remember me for a week!' She got a good performance out of him."

"But the best part came after Samantha swallowed the guy's cum. She looked over at our lensman and said, 'Now you get over here. I'm not done yet! Now it's your turn!'"

# Katy & Ana

First-year college roommates always share a special bond. Katy and Ana got along from the moment they met. They decided to get rid of one of the beds in their tiny dorm room and get a couch instead, planning to trade off nights sleeping in the one remaining bed. One night Katy came home late and, forgetting that it was her night for the couch, collapsed into bed on top of Ana. Ana had fallen asleep masturbating and was naked. As soon as she felt the smoothness of Katy's warm body her crotch dampened. She kissed Katy on the mouth, and pulled one of Katy's hands down between her legs. Katy kissed back and slipped a finger inside of Ana's steaming pussy, wriggling it around and causing Ana to buck her hips in pleasure. That night neither of them slept much. Now they always sleep in the same place together, but only after they make each other cum. And they are definitely rooming together next year!

# RILEY STEELE

*They say that you always remember your first. I'm about to be the first for Riley Steele, the sexy young blonde who recently signed with industry giant Digital Playground. No, I don't bend the new girl over and pound her from behind, but I do get to popper interview cherry. Yes, I would rather be using my mouth to tickle her twat than asking her questions, but with a girl this ripe and beautiful, I'll take what I can get. Riley has those gorgeous, SoCal blonde beach looks that would make a Barbie doll cry. For now, the fact that she has agreed to be in a small, enclosed space with me for an extended amount of time will have to suffice.*

Interview by Neal Michaels. Photos courtesy of Digital Playground.

**GENESIS:** I want you to feel comfortable during this interview. If removing some articles of clothing would help, then please feel free. Relax and just answer the questions with the first thing that comes to mind. There are no wrong answers. We'll start with an easy one. If you could be doing anything else right now, what would you be doing?

Riley Steele: Having sex with Jesse Jane!

**Wrong!** The correct answer is having sex with me. I would love it if Jesse joined us, but you need to remember that this should be about me.

Oh, sorry.

**That's all right. Let's try another question. If you and I were on a desert island with only a can of whipped cream, a dictionary and gallons of lube, what would happen?**

I think things would probably get pretty crazy. I'd get pretty fucking horny with all that lube and all that whipped cream. I don't know about the dictionary. I think we could use that for maybe helping with some different types of positions. We'll have the whole thing to ourselves so we could get pretty crazy and play some cool jungle fetish stuff.

**I like that answer better. Riley, the story of how you signed is quickly becoming the talk of the industry, but would you tell it to me in your own words?**

I've wanted to be a Digital Playground girl for a long time, because their company is the best with the hottest girls and the best porn. They're just the best in the whole industry. I met Jesse Jane at a Hustler signing down here at San Diego and she told me I could be a porn star. I'd just turned 18 and so she gave me a business card. I finally just said I'm going to go for it and do it. I went up there and they signed me that day.

**How did growing up in California prepare you for the porn lifestyle?**

We don't wear much clothes, so it makes me more comfortable being naked. I've never really been anywhere outside of California, not even Mexico. So I don't really know how to compare it to anything else.

**How are you going to feel with all these guys hitting on you everywhere you go?**

It'll be fun. [Laughs.]

**Once you signed that big Digital Playground contract, what was the first luxury item you went out and bought yourself?**

I got a car because I didn't have a car. I also moved out on my own with one of my friends. I'm trying to save right now.

**I was hoping you would say a blinged out vibrator.**

I got them for free, so I don't have to buy them. There's one that I've wanted forever. It's this pink one with all these things coming out of it, and I finally got it. It's blue, and it's the Teagan Presley one, and it is my favorite. I love that thing. I've never cum so hard than with that vibrator. It's not very big, but oh my God! It's like really smooth and has these little dots on it towards the bottom. That thing has changed my life.

**Well, that answers my next question. I was going to ask if you use vibrators in your person-**

24473

**al life or are you totally sexed out from the movies?**

Oh no! I can't get enough sex.

**If you designed your own toy to fuck yourself with daily, what would it be?**

Well, I like vibrators more than dildos. I don't really need anything going inside me. I just need my clit done. I like this little vibrator that I've had forever and it still works good.

**So you're saying you like small things?**

No. I don't even really like big cocks. I mean, I like them of course, but smaller ones feel better. When it's too big it hurts.

**You just made a lot of men reading this extremely happy.**

It's true! Seriously. Guys are funny about that, because seriously you don't have to have a big cock, as long as it's hard. Fuck me hard. Fuck me really fucking hard. That's all I really care about.

**What else could guys who lack a porn star cock do in order to make you moan and cum?**

They could play with me with that Teagan dildo. That works pretty well. There's nothing about sex that I have to have. I just really like to have passionate, angry, hard sex! I like to fuck. I don't like the whole soft touching and kissing. I just like to fuck when I fuck. Fuck me—don't make love to me.

**Um, can we take a break? Sorry. I get all flustered with hot blondes saying, "Fuck me." What do you think is your best feature?**

I like the color of my eyes a lot. A lot of people have been saying they like my legs too. I've never really noticed. Everyone's been leaving me comments on my MySpace page about my legs.

**I know it's still a bit premature, but do you get recognized out in public?**

I've never been recognized. However, when I went to the F.A.M.E. Awards, people were asking for my autograph and for my picture. It was crazy, but it made me feel real good.

**Don't worry; it'll all come since your debut film is releasing soon - Naked Aces 5.**

Yes! I'm so excited. This is my first. I was showing everybody (the box cover). I'm so proud. I'm so excited. I can't wait for it to come out.

**Was that the first movie you ever performed in?**

The first movie I filmed was *Pirates II*. I can't wait for that sexiest to come out, either!

**In that first scene, can you remember the feeling of the stiff cock sliding in you for the first time on film?**

I was on the bed with Shawna Lenee and Ben English. I remember looking towards Shawna and thinking she's so fucking hot. I don't know if it's because she's the first girl I've ever had sex with on film, but I have a huge fucking crush on her. There's something about her that I can't wait to be in a movie with her again. I was looking at Shawna and kissing her and it all started happening. I was like, "Yeah, bring it on!" I never got nervous. I kept waiting for my nerves to kick in, but it never happened.

**What was going on in your mind throughout the scene?**

Whenever I perform, I just think about all the people watching me and somebody's going to be watching this to turn them on. That's what gets me horny. That's what I think about too when I masturbate—thinking about other people masturbating to me. Mmm, I really like it.

**When I was younger, I used to psyche myself up before a chess match—don't laugh—by blasting some Bon Jovi and playing a little air guitar. What type of preparations or rituals do you do before filming a scene?**

Usually I like to let it out a little before I get there. I have to masturbate. I carry a vibrator in my purse, so that's what I do before my scenes.

**Better remember to take that out of your purse before going to an airport.**

Oh my God! I would be so embarrassed!

**What guy and girl would you most like to work with and fuck non-stop?**

I love working with Erik Everhard. With girls I kind of have a really long list. My dream girl to work with is Jesse Jane. I want to work with Shawna again. Jenna Jameson of course. I really want to work with Jenna Haze. I met her at the F.A.M.E. Awards and she was so damn cute. There's something about her that wrecks sex.

**How do you feel about the comparisons between you and Jesse?**

People are going to say whatever they want to say. I think she is really fucking hot and I respect her for what she has done in the industry. She blew up and that's what I hope to do too.

**Tell me everything you can about Pirates II. I want dirty, nasty details, especially about you!**

I was a Governor's slut with Shawna, and Ben comes in and fucks the shit out of us. They don't really tell me too much about it, but I do know the scene is a huge turning point in the plot.

**In five years, when a hot girl comes up to you asking for your autograph and saying she wants to get into the biz, what words of advice would you give her?**

I'd tell her to make sure it's really what she wants to do. If it is then I'd tell her to go out and do it, but do it with class. Don't be trashy about it. Good things will come. Be patient. Wait and understand that the first year is slow. But as long as you're with a good company like Digital Playground, they will guide you the right way.

**What are other ways that fans can get to know the real Riley Steele?**

Right now MySpace is one of the only ways to contact me. Any fans can always email me at Riley@DigitalPlayground.com. I also blog on XCritic.com, and I put up certain pictures just for that website. I talk about different things on that site too.

**What does the future hold for Riley Steele?**

Big, big, big things. I'm planning on being here for a long time and I'm going to do some crazy things. I have a lot of really good ideas, but they won't come out because I'm so new. I will not disappoint. I can't wait to show everybody what I got. I just can't wait to show you all how much I love to fuck! 🍆

### Ashley Jensen

STATS: 32C-26-32

HOME STATE: Ohio

YEARS IN BIZ: 1

Ashley is one of those girls in smut who looks all sweet and innocent on the outside, but can get as nasty as they cum! She's also real young looking, so that makes her a frequent target of showing up in those types of DVDs like *Filthy First Timers*, *Just Over Eighteen* and *Don't Let Daddy Know 3*. We can tell you after meeting this cute little babe that she's as wild as can be and as cute as there is. Check her out and you'll love her!
